OUR STORY

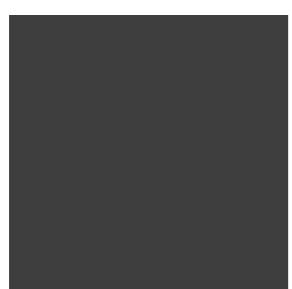

Luke's bagels was started by Luke Vescovi and his parents, Mike and Carolyn, of Brick Township, New Jersey.

Vescovi has maintained the bagel operation while earning a master's degree in management from the University of Florida. While this is no ordinary accomplishment, Vescovi attributes his success and sanity to his parents, committed team of employees and of course the community of Luke's bagel lovers who make it all possible.

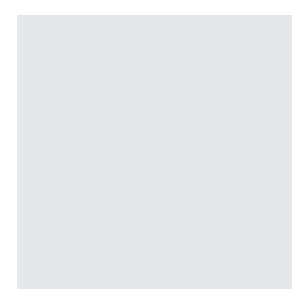

It is no wonder that the tiny bagel shop has acquired its ardent following in just under two years of service. From the purist's toasted sesame bagel with plain cream cheese to layered lox, onion capers and tomato piled high between an everything bagel, what awaits at the bottom of the small, brown paper bag delights time and time again.
